

PREFACE

This is the **FIFTY-EIGHTH FINAL AVERAGE BOOK** compiled by the ASSOCIATION.

The association underwrites the cost of the publication and copies are given to every bowling center served by the Association. Other copies are given to the PSBA Tournament Director, PSBA Seniors Tournament Director, PSBA Mixed Tournament Director, PSWBA Tournament Director, USBC Headquarters and Association Board Members. All league secretaries are also entitled to a copy and may have same by making their wishes known to the Association Manager.

On the following pages, prior to the listing of the individuals, is a key listing to each league. All bowlers' averages are listed, except those who did not pay any dues or whose league failed to submit a final average sheet. An average is listed for each league the bowler participated in, providing a USBC membership application form was submitted for the bowler in that league. The bowler's highest average is listed first.

Bowlers who paid their USBC dues in another Association and have also paid Local Association Dues are indicated with a # sign behind the league code number. All other bowlers have paid their USBC and Local Association Dues through this Association.

Youth Bowlers – Youth bowlers are part of this report and do not have a league abbreviation behind their name.

RESPONSIBILITY

The York-Adams USBC will assume no responsibility for errors made in either the printing of the book or the records taken from final average sheets turned in by the league secretaries. All secretaries were advised how to submit a proper average sheet, and if the records were vague, there is no guarantee the average listed is correct. If any bowler thinks his average is incorrect, before registering a complaint, he should check with his league secretary.

AVERAGES ON WEB SITE

The York-Adams USBC will also publish the average book on our web site:
